MESSAGE FROM THE PRINCIPAL

Father’s Day Breakfast
Dad’s, Grandads and father figures in children’s lives, Please remember to join us for Father’s Day breakfast this Friday morning. You are then invited into your childrens’ classroom and your children will show you their learning space.

What Makes A Dad
by Anonymous

God took the strength of a mountain.
The majesty of a tree.
The warmth of a summer sun.
The calm of a quiet sea.
The generous soul of nature.
The comforting arm of night.
The wisdom of the ages.
The power of the eagle’s flight.
The joy of a morning in spring.
The faith of a mustard seed.
The patience of eternity.
The depth of a family need.

Then God combined these qualities.
When there was nothing more to add,

He knew His masterpiece was complete.
And so, He called it ... Dad

In The Footsteps of Jesus Pilgrimage

Next week I will be going on a Pilgrimage to the Holy Land, with a group of Principals. We will be travelling to Israel and Jordan to take part in ‘The Footsteps of Jesus’.

Over the last 12 months at our Principal Network we have been working regularly with lecturers from the Theology Department from Australian Catholic University on deepening our understandings of scripture and the historical context of the areas in the bible. I am excited about this opportunity to visit the places to see and feel the foundation of our faith; reflect on my own personal faith journey and my work as a principal of a Catholic school. I am looking forward to the experience of visiting important religious and historical sites including Jerusalem, Bethlehem, Nazareth, the Sea of Galilee, the Mount of Olives, the River Jordan, the Dead Sea and many more biblical historical sites of importance.

I look forward to sharing my experiences with the St Paul’s Community upon my return

While I am away Mrs Pat Villa will be Acting Principal and Mr Joe Keane will take the Role of Acting Deputy Principal Mr Sam Beninati will be in 3/4KB during this time.
Next week is National Child Protection Week we all play a part in creating safe and nurturing environments for all Australian children. Remember…

- By building stronger communities, we can create safer environments for children
- We all have a role to play in protecting children from harm

At St Paul’s we have a strong commitment to protecting children and providing a safe environment. We implement a range of Child safe strategies ensuring all visitors to our school sign in and have a Working With Children check. We have Child Safety Policy and Child Safety Code of Conduct.

Wonders of Living
Last night our Senior Students and their parents participated in a Wonders of Living Workshop. It was a great opportunity for parents and children to start the discussion about some important topics: puberty facts for boys and girls, emotions, talking to a trusted grown up when you need information, identifying social media pressure and acting in ways that are safe.
The following children will be receiving awards for demonstrating our BE RULES at Monday’s assembly at 2.50pm. Parents are welcome to attend:

Prep C  Louvelle Y
Prep TL  Massimo M  Emma H
1/2D  Charlie F  Dominic S

I am currently looking for donations of empty baby formula tins.
If you use baby formula, or know anyone who does, please keep these tins and send to school with your child.

Many thanks!!

St. Paul's participation in the SSV Coburg District Athletics Carnival was a resounding success. We were treated to fantastic weather with warm sunshine and light winds which made for perfect conditions for athletics.

Our students were very competitive, surprising many of the established schools in the District. Special mention to Eamonn J of Year 3 who qualified in 2nd for the 9/10 YO Boys 800m against competitors who were mostly in Grade 4.

Congratulations also go out to Jenna G for winning 1st place in the 11 YO Girls 100m and Ella M of Sen M for coming 2nd in the 12 YO Girls 100m. Both girls have qualified for the Division Athletics Championships on September 18. We wish them all the best in the next stage of competitions. Well done to all of the students who competed and represented our School so well.
SHORT FILM FESTIVAL RULES:

1. Nominated films must recreate a well-known movie. Directors are encouraged to innovate on the original story, script or characters in some way. Directors may choose to recreate the whole story or just one or two scenes from the story.

2. The aim of the competition is to entertain an audience but at the same time create a unique learning opportunity for those involved. For this reason the support of parents, family or friends in the creation of each film is encouraged. However, the Director, (the student nominating the film) must be fully involved in every component of the production process. Therefore, parents, family members or friends can take an active role in any or all components of the production.

3. Entries must be original productions, with a minimum running time of 3 minutes and maximum running time of 6 minutes.

4. This competition is an extra-curricular opportunity open to all students at St Paul's Primary School. While students may choose to work on their film at school, this will not take place during class time.

5. All films must be produced and submitted digitally via USB or Hard Drive.

6. All films presented must have been completely produced during the competition period.

7. All films should be rated equivalent to a G (General) rating and able to be viewed by all ages. Inappropriate language, graphic violence or any offensive content will not be accepted for nomination.

8. Selected finalists for the grade level selections must complete a one page nomination form which will be supplied by Mr Keane. This will include:
   a. Director’s name (student nominating the film)
   b. A title for their film.
   c. The name of the original movie being recreated.
   d. List of actors/actresses
   e. A one paragraph summary of their film.

9. By submitting the nomination form and film, the entrant grants permission to publicly screen the selected film during the 2019 St Paul's Primary School's Short Film Festival. This nomination form must be signed by a parent or guardian.

10. The final date for submission of entries is Friday 11th October 2019 (week 1 Term 4)
We have recently been successful in receiving a Youth Initiative grant from the Moreland Council. This grant will be used to help fund a new school based initiative PLAY (meaning both the act of playing and also standing for the acronym: Positivity, Leadership and Activated Youth). PLAY is a wellbeing and resilience-building program for young people. It has a brilliant impact at schools, working to:

- Build empowerment in students
- Reduce bullying
- Create a sense of belonging
- Encourage responsibility and teamwork
- Teach the importance of rules and positive values

PLAY leaders participated in a full one-day training program at St. Paul’s on Wednesday 28th August run by Scott and Sally from ‘Resilient Youth’. Through the program training, school PLAY Leaders learnt how to facilitate safe and fun games for other students, including younger students, at school during lunch times and recess.

We asked the Year 4 & 5 students to apply for the positions as PLAY LEADERS. Congratulations to the following students:

The PLAY leaders will be presented with their certificates at our whole school assembly Monday 2nd of August, held in the O’Connell Building at 2:50pm.
“We learnt lots of new games and I look forward to trying them out in the yard this term.”
Jonah S (PLAY leader)

“I would like to thank Scott and Sally for helping us be PLAY leaders. It really helped me feel confident in leading a group.”
Bridget M (PLAY leader)

“I think it was really good and there will be lots of fun games.”
(Daniel F, Prep C)

“I liked all the games that we played and the leader.”
(Michael C, 1/2H)
Dear Families,

A representative from the Australian Girls’ Choir will be visiting our school on Monday 2nd September to speak to our students about the work that they do and to run a singing workshop.

This workshop will run for approximately 30 minutes and will be held in the Performing Arts room at 9:30am.

If families are interested in having their daughters attend this 30 minute workshop, could you please read the flyer that went home during the week and return the permission slip to the school.

Please note that the permission slip needs to be returned in order for students to attend this workshop.

Kind Regards,
Edward Faraci

Congratulations to Chloe who competed at the Prodigy Dance Competition and Prestige Dance Awards under the direction of Kelly Aykers. She was in 6 events and received a 1st place, two 2nd places and two HMs.

Well done Chloe.
Prep Zoo Excursion: God’s Wonderful World

Last Thursday the Preps put on their coats and explorer lenses and braved the winter conditions at Melbourne Zoo. We had amazing support from our parent helpers: Christina, Andrea Sarah, Ana, Trish and Joice. A big thank you to all of our Prep families for ensuring the children were well prepared for the day. The students were exceptionally behaved and we were beyond proud to have them represent our school. We were immersed in a STEM based activity called Wild Lab where the students were engaged in investigative activities with exciting artefacts, tools and scientific equipment. The day went so fast, the little legs were well and truly done by late in the day, we tried to see as much as we could but much to the students’ disappointment there were many enclosures we did not reach.

We would like to remind families that “Zoos Victoria is pleased to advise that children under 16 years of age receive free admission to Healesville Sanctuary, Melbourne Zoo and Werribee Open Range Zoo on:

- Weekends
- Victorian Public holidays
- Victorian Government school holidays.”

Here are a few happy snaps from our day.
