A MESSAGE FROM OUR PRINCIPAL, MARIA MERCURI

This week we celebrate **National Volunteer Week**. We are very fortunate that we have a committed parent community that supports our school in so many ways. We want to extend our deepest gratitude to each of you for your consistent support and dedication to our school community. Your generous contribution of time and energy plays a vital role in enriching the educational experience for all our students. Whether you're assisting in the classroom, organising events, or helping with extracurricular activities, your efforts do not go unnoticed. Your commitment not only enhances our school environment, but also sets a wonderful example for our children about the importance of giving back and being involved. Thank you for being such an integral part of our school family. Your volunteering helps us build a nurturing and supportive community, where every child can thrive and succeed. We truly appreciate all that you do.

THANK YOU VOLUNTEERS!

CARPARK SAFETY@St Paul's - A few safety issues have been raised in our carpark. I am asking for your cooperation to ensure the safety of your children. We are very fortunate, thanks to the parish, to have car parking onsite - the majority of schools (Catholic & state) do not.

Please think of others:

- As you enter the car park, as you park and as you leave the car park; please be **patient** and think '**safety** first' -
- Please park in a designated car space.
- When entering and exiting our carpark - please be mindful of driving at **5KM SPEED LIMIT**.
- If there is a problem please be **respectful** in communicating with others.
- **Remember we are role models for our children.**

Parents are asked to park in surrounding streets or at IGA Supermarket for afternoon pick up. Teachers are on duty until 3.35pm, if you need extra time to find a park, your child will be supervised.

I ask that you please work with the school - most importantly for the sake of our children's safety - and find safe ways to drop and pick up your children.

Thank you to everyone for keeping our community safe.

Have a great weekend

Maria Mercuri

LITERACY

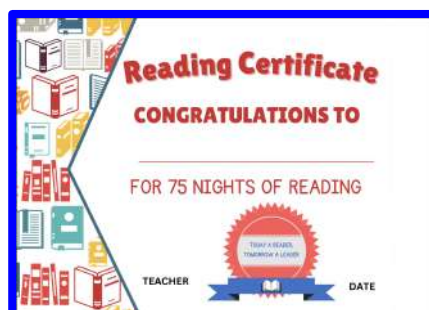

READING AWARDS

Our Prep to Year 4 students are continuing to work towards celebrating their reading achievements. We encourage you to support your child to achieve their reading goals.

Students have a reading log to record their reading and awards will be acknowledged for every 25 nights of reading.

This week we congratulate the following students

<u>25 nights</u>	<u>75 nights</u>	<u>100 nights</u>
Alexander N - 1/2K Henry D - 1/2K Olivia W - 1/2K Ava B - 3/4M Lucas V - 3/4M Natasha C - 3/4M	Amelia L - 1/2K	Amelia L - 1/2K

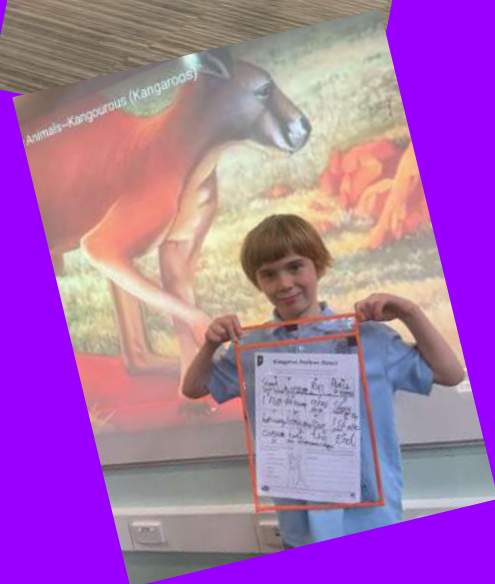

PERFORMING ARTS

In Performing Arts Preps have been adapting known nursery rhymes and movements such as 'Heads, Shoulders, Knees and Toes' with the dance styles of 'Rock 'n' Roll' and 'Hula.' They will continue to adapt familiar dances with common dance genres.

1/2s are continuing their 'Starry Skies' unit and have practised the elements of dance through Fireworks, Astronauts and Aliens. They have continued dancing in unison and cannon and have focussed on dynamics.

3/4s have choreographed, rehearsed and performed to their peers, dance techniques to represent the Elephant, Lion, Kangaroo and Aquarium in 'Carnival of the Animals' by Camille Saint-Saëns.

5/6s did a wonderful job at creating dance sequences to a dance track using fundamental dance movements. This week they have explored the elements of dance in learning a basic Hip Hop routine.

VISUAL ARTS

Year 3/4 artists embarked on a creative journey, exploring mixed media to bring their origami fish to life. They created captivating fish bowls, incorporating paint, textured paper and sand.

Our Prep artists have been exploring mixed media, they have had the opportunity to experiment with crayons, pastels, charcoal and paint wash. They discovered each medium offers its own unique characteristics which allowed them to explore new techniques.

Year 1/2 artists embraced the challenge of folding paper into boats. They navigated through the folds and creases to create origami boats. It was wonderful witnessing students coming together to assist each other in crafting the origami boats.

Year 5/6 artists delved into the captivating world of staged photography. Drawing inspiration from the iconic works of Australian photographer Max Dupain as well as the contemporary vision of Naomi Hobson. Students were challenged with the task of creating a series of staged photographs using objects as their props, transforming them into creative compositions.

ITALIAN

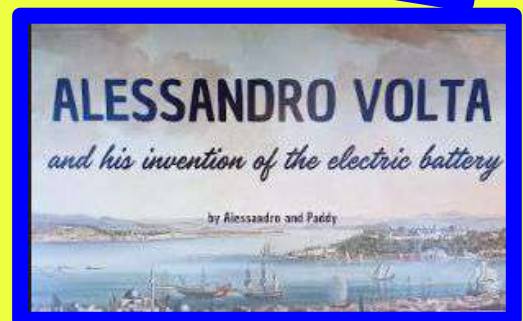

Preps enjoyed reading “Zucchero filato”, making hand puppets and role playing the story.

Year 1/2 role played the story “Cera una volta una vecchina che ingoiò una mosca”.

3/4 children played weather games to reinforce and practice vocabulary.

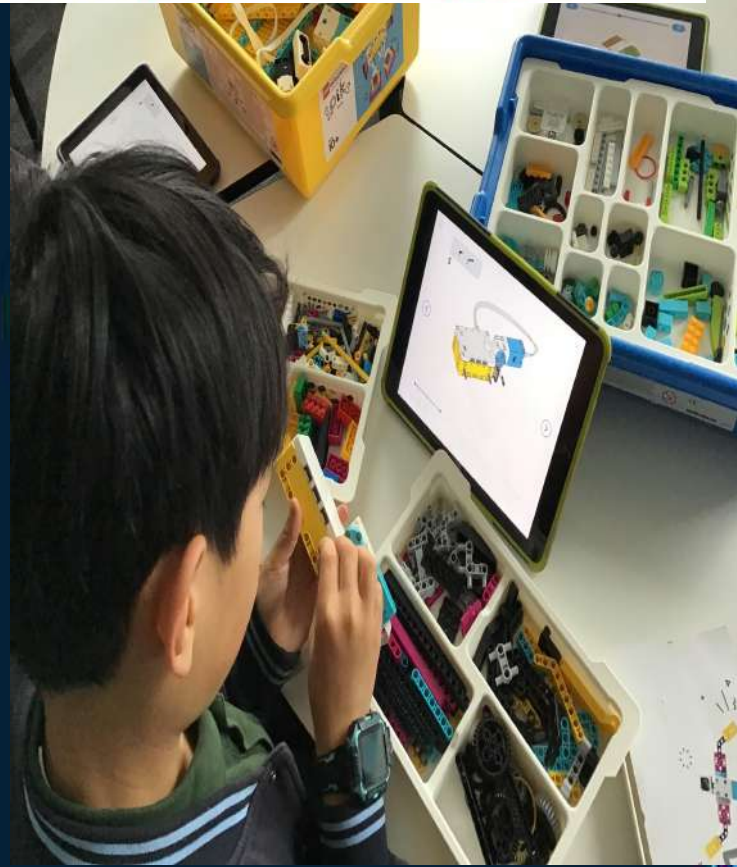

The 5/6 researched famous Italian inventors and presented to their peers. They also created a quiz for the class.

STEM

Diving into the fascinating world of Bee-bots, coding and Lego WeDo 2.0.

The children love seeing their mums and dads at school and this reinforces the connection between the home and school.

Join Us for the Parent Friends Meeting!

We are excited to invite you to the Parent Friends (P&F) meeting on June 6th at 2:30 PM. This is a wonderful opportunity to connect with other parents, get involved in our school community, and learn about the exciting initiatives we have planned.

By attending the P&F meeting, you can:

- Stay Informed: Get the latest updates on school events and projects.
- Get Involved: Share your ideas and contribute to making our school an even better place for our children.
- Build Community: Meet other parents and foster a sense of togetherness.

Together, we can make a significant impact on the educational experience of all students at St. Paul's. Your participation is invaluable, and we look forward to seeing you there!
